Hingham Third Grade History Tour was again lead by Bill Bisbee, Russell Bisbee and Frank Munson. The kids had a ball and looked at everything. They touched but were gentle and they were appreciative and polite. Part of our Mission Statement is to contribute to the education of our youth. We sure have a nice group of them. Each one was given a Wooden Nickel.

After washing their hands, they stayed around and ate bagged lunches. Thanks to their teachers for making time in their schedules and to the bus driver for her time.
